

Parental Contract for Funded Early Education Entitlement (FEEE)

This contract is for the early years provider to collect information from the parent/carer of the funded child to enable a claim to be made for Funded Early Education Entitlement (FEEE). This parental contract **must** be made available to Derby City Council for audit purposes. This is important as we have a data protection responsibility to inform parents why we need their information and how we are going to use it. All fields must be completed on this contract where applicable to ensure the relevant eligibility checks can be performed and the child receives all funding they are entitled to. The retention period for a parental contract is the current year plus 5 years.

Are you a working parent who needs help with your childcare costs? Speak to your childcare provider to see if they offer the Tax Free Childcare and visit <https://www.childcarechoices.gov.uk/> to check if you qualify. For every £8 you pay to your childcare provider, the government will pay them an extra £2. You can get up to £2,000 off your childcare bills per child per year, or £4,000 for disabled children. And this can be used alongside the 30 hours Free Childcare and for children from 0 to 11 years.
